PROFESSIONAL EXPERIENCE

ibex | Sr. Content Marketing Executive | Metro Manila, Philippines | 04/2016–Present

- Lead content production across marketing, sales materials, internal communications, and creative projects, translating business objectives and research into usable content.
- Write and edit campaigns, newsletters, scripts, presentations, and executive communications for internal and external audiences.
- Research markets, clients, competitors, industry trends, and technology developments to support leadership and marketing decisions.
- Develop SOPs, templates, and content workflows to improve consistency, quality, and reduce rework.
- Use AI-assisted workflows to accelerate research, drafting, editing, and creative production while maintaining human review for accuracy and quality.

Atomic Digital | Content Creator (Remote) | British Columbia, Canada | 02/2024–01/2026

- Produced and edited AI-assisted blog and niche content at scale.
- Reworked AI-generated drafts into clear, accurate, human-readable articles using research and editorial judgment.
- Applied SEO fundamentals, editorial guidelines, research, and content optimization to published work.

HP Outsourcing | Sales & Marketing Associate | Davao City, Philippines | 05/2015–12/2015

- Supported sales materials, proposals, client communications, and onboarding.
- Helped develop and promote new Virtual Assistance services.
- Worked across Sales, Operations, Account Management, and Business Development.

Focusinc Group Corp. | Recruitment Manager | Davao City, Philippines | 2011–2014

- Progressed across operations, business development, and recruitment.
- Created 20+ client-specific SOPs, manuals, training guides, and onboarding materials.
- Managed recruitment, client requirements, talent sourcing, and internal coordination.

Western Wats Research | Market Researcher | Davao City, Philippines | 07/2008–10/2009

- Conducted structured market research with U.S. households and businesses.
- Followed research protocols, scripts, quality standards, and reporting requirements.
